Product Manual of DAQIDA

pants hangers

B2B Product Specification & Description Manual | DAQIDA

Product Overview

As a direct B2B wholesale supplier, DAQIDA produces high-quality pants hangers designed for modern closet organization and commercial displays. Featuring an open-ended multi-purpose structure, this line includes specialized pant hangers with clips, open-style hangers, and heavy-duty trouser hangers that keep garments neatly displayed and wrinkle-free. Constructed from high-impact ABS reinforced plastic, these hangers feature an ultra-slim 0.6cm profile and a generous 48cm length to handle heavy trousers easily. Whether supplying online retailers or buyers searching for reliable clothes hangers near me, DAQIDA provides high-volume OEM manufacturing and factory-direct pricing.

DAQIDA | Yiwu Daqida Plastic Products Co., Ltd.

Maximize Closet Capacity: The ultra-slim 0.6cm profile frees up substantial closet space, allowing users to pack and organize more garments per rack.

ABS Reinforced Strength: Molded from premium ABS reinforced plastic to resist high impacts, preventing bending or breaking under heavy garments.

Versatile Open-Ended Design: Engineered with a smooth open-ended arm and curved hook structure for fast, hassle-free hanging and retrieval of pants, skirts, or scarves.

Non-Slip Stability: Specially contoured surface keeps trousers securely in place, preventing slipping and maintaining clean garment lines.

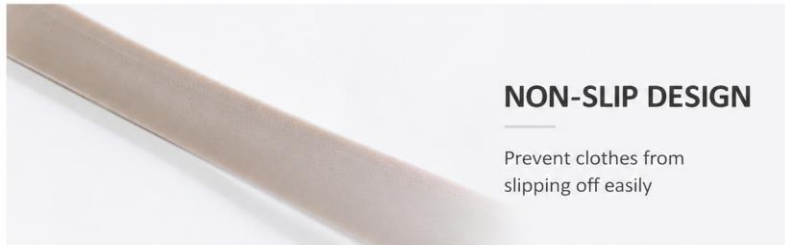

HOOK DESIGN

Curved hook design,
strong load-bearing capacity

NON-SLIP DESIGN

Prevent clothes from
slipping off easily

LATERAL HOOK DESIGN

Hanging straps, hats, etc.,
easily solve storage problems

How to Use

Slide Garments On: Pass trousers or skirts over the open-ended bar without taking the hanger off the closet rod.

Utilize Accessory Hooks: Use the integrated secondary notches to hang ties, scarves, or waistbands.

Organize & Store: Align multiple hangers neatly on the display rack or wardrobe rod to maximize storage space.

Materials & Technical Selection & Engineering

ABS Reinforced Plastic: Built from high-density ABS reinforced plastic, offering high impact resistance and long-term durability.

Ultra-Slim Engineering: Dimensions of 48cm (length) x 17cm (height) x 0.6cm (thickness) provide maximum hanging stability while saving space.

Integrated Swivel Hook: Heavy-duty metal/ABS hook provides reliable weight capacity and 360-degree rotation for effortless closet access.

Application Scenarios & Use Cases

Home Closet Storage: Perfect for residential users seeking casafield open-ended pants hangers styles or clamp pant hangers to streamline everyday wardrobes.

Retail Clothing Stores: Provides boutiques and department stores with a clean, modern display for formal slacks, denim, and skirts.

Hospitality Industry: Ideal for hotel room closets that require durable, space-saving, and long-lasting hanger inventory.
