Silver Nursing Cups

B2B Product Specification & Description Manual | DAQIDA

Product Overview

Discover the ultimate natural comfort with our premium silver nursing cups, expertly designed to support nursing and pumping mothers. Whether you are looking for reliable silverette shields or standard silver cups breastfeeding solutions, our products provide gentle care.

Key Product Features

Silver Nursing Cups for Breastfeeding : These nursing cups provide gentle nipple care and comfort for breastfeeding and pumping moms during daily use.

Essential Silver Nipple Covers for Breastfeeding Moms : Designed to help reduce friction and discomfort caused by frequent feeding, offering a smooth and soothing breastfeeding experience.

Lightweight & Comfortable Nipple Shield Design : These silver nursing cups fit comfortably inside your bra between feeds, helping protect sensitive nipples without adding pressure.

Reusable & Easy-to-Clean Nursing Cups : Built for daily breastfeeding care, these reusable silver cups are simple to clean and ideal for long-term use throughout your nursing journey.

Chemical-Free Breastfeeding Care Solution : Made without creams, ointments, chemicals, or additives, offering a natural and gentle nipple care option for breastfeeding moms.

How to Use

Step 1 Preparation: Wash the silverettes or nursing cups thoroughly with warm water and mild soap before initial use.

Step 2 Application: Express a few drops of breast milk into each cup before placing them directly over the nipple inside your nursing bra.

Step 3 Wearing: Wear them comfortably between nursing sessions. Ensure your bra is snug enough to hold them in place without applying excessive pressure (refer to proper silverette sizing for the best fit).
